Guest Speaker

Rep. Debbie Wasserman Schultz

For more than eighteen years, Rep. Debbie Wasserman Schultz has dedicated her public life to working on behalf of the people of South Florida. On January 4, 2005, she was sworn in as a member of the United States House of Representatives.

Rep. Wasserman Schultz represents Florida's 20th Congressional District, which encompasses parts of Florida as far north as Fort Lauderdale, and as far south as Miami Beach. Before joining the U.S. Congress, she was first a Representative and later a Senator in the Florida State Legislature. The first Jewish Congresswoman ever elected from Florida, Rep. Wasserman Schultz, introduced a resolution which passed the House of Representatives and called on the President to declare an annual Jewish American Heritage Month. The President subsequently did so, with the inaugural month in May, 2006. Since then, Presidents have proclaimed Jewish American Heritage Month annually.
