WOMEN'S LEAGUE FOR CONSERVATIVE JUDAISM

WITH STRENGTH AND SPLENDOR

JEWISH WOMEN AS AGENTS OF CHANGE

The women in this galaxy of remarkable Jewish women each demonstrated determination, courage, and imagination that enabled them to challenge the boundaries of gender and social conventions and to forge new paths to enrich our world.

This project began as *Beauty, Brains and Brawn: The New World Balabuste*, the Women's League exhibit commemorating the 350th anniversary of the arrival of Jews in North America. Now expanded to 47 women and with a new title, *With Strength and Splendor* reflects how Jewish women disassembled old gender roles, shattered boundaries and expanded the options for future generations of women.

With Strength and Splendor will make a wonderful gift for adult or teen bat mitzvahs, high school and college graduates, teachers, counselors, friends, and family. Order yours today or buy them at Convention for the pre-publication special price .
